

Dear _____ Manager:

Each year _____ of _____ from right here in our local community of _____ organizes a Popcorn fundraiser to allow Scouts to earn their own way in the Scouting program.

Our annual popcorn fundraiser:

- is a way for Scouts to reach out to the community and seek support for their activities which includes _____ our unit provides back to the community each year;
- enables Scouts to develop communication skills, money management, and the confidence necessary to become a future community leader; and
- allows Scouts to afford camping experiences, uniforms, training and leadership courses, _____ activities, and much more which benefits their development.

In past years, our unit has raised funds to help our youth have opportunities that they maynot have otherwise been able to experience. Much of this support and youth development takes place at sales at local establishments like _____ , where Scouts (and supervising adults) set up a small table to ask for support.

We would like to ask for your support in helping our local Scouts by selling popcorn in front of _____ for a few hours this year. People appreciate giving back to the community and it would help our local Scouts immensely. Can we count on your support?

We will be more than happy to follow any rules you have in place, and we'll make sure to properly clean our space, to leave it better than we found it!

Thank you so much for your community support. The strength of our Scouting program is reflective of the investment of time, talent, and treasure from our local community. If you have any questions regarding our Popcorn sales, please feel free to contact _____ at _____ . Thank you again for supporting Scouts!

Yours in Scouting,
