

Zander Eno is a member of the International Brotherhood of Electrical Workers (IBEW Local 26). He is enrolled in a five-year Electrical Alliance Training Program as a first-year electrical apprentice. He is currently employed at Rosendin Electric in Sterling, VA where he works in a prefabrication environment while also attending school.

He graduated from Potomac Falls High School in 2023 and attended the Monroe Advance Technical Academy (MATA) at the Academies of Loudoun. His areas of study at MATA included HVAC and Building Construction which exposed him to basic understanding of residential and commercial air conditioning, refrigeration, and heating and residential construction and the carpentry trade. Both courses included OSHA certifications and exposure to reading diagrams and plans inherent to the specific trade.

Zander joined scouting in first grade as a Tiger and continued to grow through the ranks to earn his Eagle Scout rank in December 2021. His Eagle Scout project provided the Sterling community with a depository for U.S. flags in need of retirement. Over three-months, he collected 360 flags and led Troop 966 in a flag retirement ceremony on the 20th anniversary of 9/11 at the Sterling Volunteer Fire and Rescue Squad in Cascades, Va.

Zander enjoys line dancing and spending time with friends.
