

#ADVENTUREON!

Discover Fun, Adventure, and Skills for Life—Join Cub Scouts Today!

Cub Scouts is a year-round program where kids can make friends, increase self-confidence, and find adventure in the world around them! Boys and girls in grades K - 5 can discover new activities that are fun for the entire family, get involved in their community, learn teamwork, and try new things in a safe environment.

Find a group nearby and join to be part of next year's Pinewood Derby excitement - where kids build their own wooden cars to race!

Want to learn more about the program that prepares our young people for life?
