Cub Scouts

Cub Scouts is a year-round program where kids can make friends, increase self-confidence, and find adventure in the world around them! Boys and girls in grades K through 5 can discover new activities that are fun for the entire family. If your child wants to get involved in their community, learn teamwork, and try new things in a safe environment, here's a great opportunity to find out how. Don't let adventure pass your family by! Join the premier program that prepares every child for life so they can grow into their very best future selves.
