#ADVENTUREON!

Cub Scouts is a year-round program for boys and girls in grade levels K-5th. The program offers fun and challenging activities that promote character development and physical fitness.

Cub Scouts and their families enjoy participating in age-appropriate activities that include camping, service projects, life skills, games, and other fun opportunities that guide boys and girls through Cub Scouting's core values and gives them a sense of personal achievement.

Parents, leaders, and friends play an active role in the program as they encourage boys and girls to live by the Cub Scout Motto: "Do Your Best!"
