**Prepared. For Life.®**

Cub Scouts is for boys and girls  
in grade levels K-5th.

The program offers fun and challenging  
activities that promote character  
development and physical fitness.

Cub Scouts and their families enjoy  
participating in age-appropriate activities  
that include camping, service projects,  
life skills, games, and other fun  
opportunities that guide boys and girls  
through Cub Scouting's core values and  
give them a sense of personal  
achievement.

Parents, leaders, and friends play an  
active role in the program as they  
encourage boys and girls to live by the  
Cub Scout Motto: "Do Your Best!"

Scouts BSA is designed to develop  
character, citizenship, and fitness for boys  
and girls ages 11-17, often through  
outdoor programming.

Scouting helps young people develop  
into well-rounded adults by letting them  
take responsibility for planning the  
troop's activities. This helps them  
develop teamwork and learn to  
lead as well as follow.

For over 100 years, our program has  
helped create generations of leaders and  
outstanding citizens by allowing boys and  
girls to explore their interests, serve their  
communities, and discover their talents  
through youth-led activities like hiking,  
camping, and volunteering!
